Curriculum

The Early Years Learning Framework guides the educators in their work in ensuring all children experience quality teaching and learning. The centre will aim to provide every child with opportunities to grow, learn, pray, play, make new friends and develop a foundation for future success as: a person..., a learner..., a community member... and a contributor to society.

The program offered is based on: our Catholic ethos and values, the principles of child development and the uniqueness of the individual, a curriculum that recognises play as the primary tool for children's learning, a philosophy that encourages and enables children to feel positive about themselves.

Class Structure

Each child is enrolled into a specific class with every class having a designated teaching team consisting of an Early Childhood qualified teacher and a diploma or certificate III trained teaching assistant. Each class has spaces for 22 children.

There are two options for preschool classes:

Option 1: Preschool – Part time (15hrs). This operates for three days one week and two days the following week. For example your child would attend Monday, Tuesday Wednesday for the first week and Monday and Tuesday the second week.

Option 2: Preschool – Fulltime (30hrs). This option is for your child to attend Monday through to Friday every week of the school term.

Before and / or after preschool care is available 7.30-9.00am and 3.00-6.00pm each day. Before and after preschool care is available to children attending both part time and fulltime preschool.

The Vacation Care program runs during the April, July and October school holidays and is run by our Assistant Educators in the preschool rooms. Bookings for Vacation Care are taken each term between Week 5 and Week 7 for the following vacation period.
