# VACATION CARE HAPPENINGS

The curriculum has been designed to be flexible and child centered, giving the children an opportunity to make decisions and take control of their day. Allowing the staff and children to evaluate the activities daily ensures that the program provided reflects on the children's interests and allows for an extension on the previous day's learning.

## Week 1:

### **Tuesday 2<sup>nd</sup> October – Colourful Creations**

Today everything the children will do will involve lots of colour. This will include art such as felting, stain glass windows, modelling clay and colourful cooking. The children may come dressed up entirely in their favourite colour.
