Dear Parents and Carers,

Welcome back for Term 2. I hope that you and your children have had a good break.

**Term 2 Calendar**

At the end of last term a Term 2 calendar with all main known dates was sent to electronically. Please refer to the calendar as required or copy relevant information to your official 2013 St Anthony’s calendar. The calendar is attached with this newsletter as well. Any changes or additions will be included in the newsletter each week. Our website calendar will also be updated shortly.

**Calendar Change re: School Board and P&F Meetings**

This Wednesday there is only a special P&F meeting at 7pm in regards to the upcoming Fete. There is no School Board Meeting on this Wednesday. Then the both meetings will return to the correct cycle of fourth Wednesday of the month. Please adjust your calendars to show future meetings as:

- Wednesday 22 May 6pm School Board, 7pm P&F.
- Wednesday 26 June 6pm School Board, 7pm P&F.

**Three-way Conferences**

Yesterday’s information about upcoming three-way conferences and parent interviews was sent home to all families. The staff are keen to share information about your child’s academic progress and effort, therefore Week 2 was selected. You can book your meeting times on ‘google docs’ as instructed in the letter sent home.

**2014 Catholic Schools Enrolment Period Opens Next Week**

The Catholic Schools Enrolment Period runs from Monday 6 May (Week 2) to Friday 24 May (Week 4). St Anthony’s will hold an enrolment information evening next Tuesday 7 May at 6.30pm and then two open mornings, Thursday 9 May and Friday 17 May, both from 9.30am-11.00am. Please share this information with interested families and remember that enrolment forms for siblings beginning Kindergarten in 2014 need to be returned by Friday 14 May. Enrolment packs will be available from Monday.

**ANZAC DAY Liturgy**

You are warmly invited to attend our special ANZAC DAY liturgy at Community Prayer time. Kinder Padua and Year 3 Padua will lead the liturgy.

**Fete Countdown – Saturday 11 May!!**

There are only 9 school days to the fete! This is very exciting but will also require quite a deal of support and work from everyone. Please keep doing what you can to help the fete organisers and volunteers. Open Shed day is Sunday 5th May – not Saturday as stated in the Term Calendar.
St Anthony’s Principal Position Advertised Now

I wanted to let you know that the St Anthony’s Principal’s position for 2014 and beyond on a continuing basis is currently being advertised by the Catholic Education Office. Interviews for the position are expected to be held in early June.

Special Student Sessions

Just for your information, to start the term students will attend special sessions with St John’s Ambulance and Life Education.

Recess and Lunchtime Activities

The school staff understand that students do benefit from having a variety of options in regard to activities at recess and lunchtime. Some students find it difficult to regularly play outside or in large groups. With this in mind staff often willingly give up their own recess and lunch breaks to offer to run special activities. Activities may vary each term depending on the other demands on staff and the various talents of each staff member. Sometimes parents are not aware of these activities as they are broadcast daily at morning assemblies. I hope that by providing a list of available activities through the newsletter, will help parents discuss the options with their child and encourage them to attend suitable activities.

The Term 2 activities on offer to date include:

Greg Walker

Acting Principal
Welcome back to everyone for Week 1 of Term 2!
I hope that everyone had a fabulous and relaxing break.

Our Current Value: Understanding, Tolerance and Inclusion

"Inclusion is a process of identifying, understanding and breaking down barriers to participation and belonging."

The Rule of the Week: Play safely in the right place.

ANZAC DAY
During the holiday break Australians celebrated ANZAC DAY. We will be remembering the ANZAC’s during Community Prayer this Thursday.

History
The Anzac tradition—the ideals of courage, endurance and mateship that are still relevant today—was established on 25 April 1915 when the Australian and New Zealand Army Corps landed on the Gallipoli Peninsula.

It was the start of a campaign that lasted eight months and resulted in some 25,000 Australian casualties, including 8,700 who were killed or died of wounds or disease.

The men who served on the Gallipoli Peninsula created a legend, adding the word 'Anzac' to our vocabulary and creating the notion of the Anzac spirit.

In 1916, the first anniversary of the landing was observed in Australia, New Zealand and England and by troops in Egypt. That year, 25 April was officially named 'Anzac Day' by the Acting Prime Minister, George Pearce.

By the 1920s, Anzac Day ceremonies were held throughout Australia. All States had designated Anzac Day as a public holiday. In the 1940s, Second World War veterans joined parades around the country. In the ensuing decades, returned servicemen and women from the conflicts in Korea, Malaya, Indonesia, Vietnam and Iraq, veterans from allied countries and peacekeepers joined the parades.

During the 1960s and 1970s, the number of people attending the ceremonies fell as Australians questioned the relevance of Anzac Day. However, in the 1990s there...
was a resurgence of interest in Anzac Day, with attendances, particularly by young people, increasing across Australia and with many making the pilgrimage to the Gallipoli Peninsula to attend the Dawn Service.

Thank you to the helpers on Lolly Day – it was extremely busy!
Did you know that the fete is one of our major annual fundraisers for the school? Over the years many projects like: the upgrading and painting of our older classrooms, the purchase of new resources (electronics and new books) and sporting equipment were all collaborative efforts with the school and our P&F. These opportunities were all supported by monies raised through P&F fundraising. Your help with the fete gives directly back to the school and our children’s enjoyment in their education. Thanks to everyone that has helped thus far, the support has been great!

Whilst speaking of thanks, a full list of sponsors can be found below. The fete would not be the success it is without the generous and on-going support of these businesses. Please take some time to read through the list and support these businesses that support St Anthony’s Parish Primary School.

We are making an environmental effort this year as we will be a recycling smart fete. This means we are relying on you to bring along your own shopping bags as well as utilising the recycling system for waste on fete day. There will be plenty of bins around the grounds to help in reducing our waste.

Early this week, glossy flyers were sent home to each family. If you have the energy it would be great if these could be dropped into letterboxes within your street. If not, take them to work and hang them on a notice board or any other prominent position that others will read. Many thanks for your help with the advertising. If you can distribute more flyers please drop into the front office where you will find a bundle of spares. The more visitors we get to the fete, the more successful it will be. We can all help each other with getting the word out. So please invite your friends, family and tell everyone you know about our fete. There will be loads of fun activities, food and entertainment to be enjoyed between 10 - 3pm. A full list of stalls and a map indicating their location will be printed in the newsletter next week.

Raffle books: Many thanks to all those who have returned their books with money. Some are still outstanding. If possible, please sell the remaining tickets in your book and return to the front office as soon as possible. We can and will be selling tickets right up until midday on fete day. Books whether sold or unsold need to be returned to the office or classroom teachers. The raffle will add a huge contribution to the overall profit of this year’s fete. Tickets have been selling very well.

**Cake Stall Bake Off**: If anyone missed out on a cake plate and the information from our lovely cake stall co-ordinators, please feel free to drop into the front office and collect another. Mel and Lisa are expecting great things from us all. If you don’t have the time to bake a cake or sweets, why not ask grandparents to whip up something for the stall? Please remember, no fresh cream as we have limited refrigeration available. Go crazy in the kitchen!

**Pre-loved goods**: The final opportunity to donate items, toys and books to these stalls will be this Sunday 5th May between 10 – 12pm. Many thanks to all families and parishioners who have donated so far, all stalls are looking healthy. Please remember not to deliver electrical items, bike helmets or baby equipment.

**What we still need:**
Co-ordinators for 2 stalls; Show bags (these have already been bought and have arrived) and Pre-loved Toys (all of which have also been donated through the open shed days).
Donations of plants or cuttings for the plant stall. These can be delivered to the school on the Friday before the fete or the morning of our fete.

**Your time**: If you are available to help unpack the fete containers on Friday morning after 10am, please come along. Again on the Saturday morning 11th May 2013 about 6:15am, many hands are required for the set up. Even if you only have one hour to spare, we need you.

Prayers: We will be especially calling on St Anthony this fortnight for a fine, sunny fete day. Please send some prayers our way.
This year’s “Fete Entertainment” includes:
The Centenary Cinema: The cinema will operate out of the music room, this is now located in the block next to Year 2 (along with the Italian room). This building is white and is the building before the new Kindy / Year One block. Come along and learn how entertainment has changed over the past 100 years. There will be a screening of silent films that were made by St Anthony’s Year 4 – 6 students during music lessons in first term 2013. There is a gold coin admission fee. Popcorn can be purchased before entry at the side of the canteen. Drinks can also be purchased at the BBQ stall or from the Coke Van on the oval. Come into the cinema to take a break from the noise of the fete. Don’t miss this first time screening of your children’s work. Many thanks are due to Mrs Wilson for organising this entertainment for the fete.

There will be a scarecrow display in the garden bed located in between the bitumen and oval. The scarecrows have been assembled by each class within the school. An auction will take place during the fete at a time to be published. Make sure you wander around the garden bed to locate each of the 18 scarecrows and hang around to bid for your child’s class entry.

There will also be a Talent Quest with live performances from our school children on the centre stage. This will be on the bitumen throughout the morning and afternoon.

Fernwood Fitness Tuggeranong will be holding a stall at our fete to promote their fitness centre. About 12:30pm they will be presenting a Shbam display with instructors from the Tuggeranong Fitness Centre. Come along and enjoy the music and exercise. Fernwood have generously donated some gym memberships which will be spun as prizes on our chocolate wheel throughout the fete.

Many thanks goes once again to the whole community, specifically to the fete committee, all of our stall co-ordinators, all St Anthony’s School staff, our parish Secretary Lyn Mexon and Father Lachlan Coll who are working towards this year’s fete.

Many thanks

Three Way Conferences

What are three way conferences?

Three way conferences provide a forum for teachers, students and parents to acknowledge student progress and achievement.

In three way conferences students typically lead by explaining their learning achievements, as well as areas for further improvement. This may include displays of student work across a number of subjects and across a semester.

These conferences are an important avenue for involving parents and students in the learning process and help parents understand the teaching and learning, assessment and reporting process.

Three way conferences have benefits for teachers, parents and schools. Some of these benefits are outlined in the table below.

<p>| | |</p>
<table>
<thead>
<tr>

</tr>
</tbody>
</table>
How might 3 way conferences work in practice?

In 3 way conferences, students, parents and teachers have specific roles and responsibilities.

**Students:**
Introduce their parents to the teacher and initiate conference. Role plays during class can assist this process.

Students are required to plan and prepare their work for presentation. Students should have already filled in part of their 3 Way Conference Form in preparation for the conference. Junior students may draw their answers and teachers scribe in preparation for conference. During the conference they should attempt to demonstrate their understanding of the topics that they have completed through discussing and answering questions that may be posed. This enables students to share their work in a confident, assertive and articulate manner.

**Teachers:**
Teachers help students develop the confidence to share their work and understandings effectively. They play a crucial role in preparing and planning the students’ work for presentation and discussion. They may model effective presentation skills. Teachers will also assist with other information for parents regarding their child’s learning.

**Parents:**
Parents are expected to attend the conference and take an active role in their child’s presentation. Parents can offer support and encouragement to students and ultimately, through discussion at the end of the conference, help set achievable learning goals for the child for the remainder of the year.
St Anthony’s School - 2013 Student Reporting Timeline

Dear Parents and Carers

In recent years the staff have provided a variety of reporting options to families including meet-the-staff sessions, parent interviews, three-way conferences, learning journeys and showcases. Each of these opportunities has a specific place and purpose.

The staff are keen to share information about your child’s academic progress as early as possible this term and to be part of the goal setting process for them to further achieve. Therefore the staff have agreed to provide the following sessions in 2013. You will notice that the staff would like to use the three-way conference format again for students in Years 2-6. These conferences allow each student to take an active part in discussing their learning and they are designed to empower them to further improve. Please see the separate sheet on the roles of people involved in the three-way conferences.

Due to age of the Kindergarten and Year 1 students, their teachers feel it is more beneficial to meet directly with parents to discuss their learning and school routines. This year the comprehensive Semester One and Two Reports will go home in Week 9 in Terms Two and Four, followed by optional parent/teacher interviews in Week 10. In Term 3, the teachers would like to share each student’s work through a learning journey or showcase of work in their classroom. This will be a more interactive and collaborative class initiative. The actual time for these sessions will be determined by each year group closer to the time when it is the best time to share class work.

The table below shows the formal meeting times of the year, but you are always welcome to contact your child’s class teacher at any time of the year to discuss your child’s learning.

Thank you for your continued support of the school staff and for your interest in your child’s learning. Together we form an important partnership with your child and I look forward to being part of this journey.

Yours sincerely,

Greg Walker
Acting Principal

Dear Parents/Caregivers,

As an essential part of our reporting package, all parents from Years K-6 are expected to attend an interview or conference with the child’s teacher in Week 2 this term. Students in Years 2-6 will take part in a Three-way Conference with their parents/teacher. Parents of students in Kindergarten and Year 1 will attend an interview with their child’s teacher. Both interviews and conferences will be allocated a 15 minute timeslot.

The interviews/conferences will be held in Week Two (next week) on Monday 6 May and Tuesday 7 May. Each teacher will conduct the interviews/conferences in their classroom.

You are able to book a time on-line from tomorrow morning, Tuesday 30 April from 9:00am. Teachers have blacked times when they are unavailable. PLEASE DO NOT DELETE ANY OTHER FAMILY’S NAME that may already be in the time slot you would like. This time slot has been filled by that family who was able to book ahead of you.
